Welcome to Benenden Health

About Benenden Health

Benenden Health is the brand name of The Benenden Healthcare Society Limited. Benenden Health was founded in 1905 in response to the tuberculosis pandemic. Over 117 years later, we're still here for our 820,000+ members. As we're a mutual, we don't have shareholders and we're run exclusively for the benefit of our members. Our ambition is to improve the nation's health and our healthcare is designed to offer a simple, smart and more affordable health and wellbeing solution for everyone.

We are not a private medical insurer. We provide healthcare services on a discretionary basis, except treatment for tuberculosis, which is provided on an insured basis. Our services are reviewed regularly and subject to the resources we have available. In some cases, provision of service can be dependent on factors such as GP referral, NHS wait times and the type of treatment required.

Our discretionary model is at the heart of everything we do. It has served our members well for more than 115 years and allows us to manage our funds and the services we provide carefully to ensure that we can continue to offer every member one affordable price regardless of age and pre-existing medical condition.

About Healthcare for Business

It's no secret that people are a business's greatest asset. We believe that healthcare is as fundamental to business success and our aim is to enable all businesses in the UK the ability to offer affordable, private healthcare to every single one of their team. Benenden Healthcare for Business may help with services including:

- 24/7 GP Helpline
- 24/7 Mental Health Helpline
- Mental Health Support
- Physiotherapy
- Medical Diagnostics
- Medical Treatment
- Cancer Support

Our principle of fairness means that everyone is welcome as a member. We do not exclude anyone on the grounds of pre-existing medical conditions, there is no upper age limit, we do not charge administrative fees or excesses, we have no lengthy contracts and we will not increase the price of membership just because Participants of the Group Scheme have used our services.

The services Benenden Health provides to Participants of the Group Scheme are governed by our Rules, which can be found at benenden.co.uk/rulebook, and our Guide to Services, which aims to make clear the services we provide to Participants of the Group Scheme and the principles we consider when determining whether to help. When services change, we will keep members informed of changes via our website, Be Healthy magazine or communications to the member.

Setting up a Group Scheme with Benenden Health

These Group Scheme Terms and Conditions, together with the Application Form, the Group Scheme Certificate, the Corporate Portal Terms and the Data Processing Terms form the agreement between the Organisation ("you" and "your") and The Benenden Healthcare Society Limited ("we", "our" or "us") in relation to the Group Scheme.

Unless the context otherwise requires, all defined words and phrases used in these Group Scheme Terms and Conditions shall have the meaning given in the Glossary on pages 18 - 21.

We hold a record of each Participants' inclusion in the Group Scheme. When we refer to this record, we use the term 'membership' which gives the Participants certain rights and responsibilities that are set out in our Guide to Services.

The role of the Group Secretary

The Organisation should appoint a Group Secretary who has the authority to accept these Group Scheme Terms and Conditions (this document) and ensure they are adhered to.

As the person taking responsibility for managing the Group Scheme, the role of the Group Secretary includes:

- Making sure that all Eligible Participants of the Group Scheme are provided with all the relevant documents we supply to you about the membership of Benenden Health before joining
- Telling us about the Organisation's name, address or business changes
- Maintaining a record of all the Participants included in the Group Scheme using the Corporate Portal
- Letting us know about new Proposed Participants to be added to the Group Scheme
- Telling us when any Participants need to be removed from the Group Scheme and ensuring they are made aware the benefit provided by the Organisation has ended
- Keeping Participants of the Group Scheme updated about any changes made to the Group Scheme that could affect their membership
- Making sure all invoices issued by Benenden Health are paid on time

As Group Secretary you must not:

- Provide any advice to Eligible Participants of the Group Scheme about its suitability to meet their needs
- Represent Participants when they are making any claims to access the benefits of Benenden Health membership

If a new Group Secretary is appointed by the Organisation, we must be told straightaway so we can update our records. This will avoid any delays in making changes to the Group Scheme or the membership.

Our Sales Support Team are available from 9am until 5pm Monday to Friday to help the Group Secretary in managing the Group Scheme. They can be contacted by email at sales.support@benenden.co.uk or on 0808 256 2910. Calls may be recorded for security and training purposes. These contact details are also on your Group Scheme Certificate.

Our Group Scheme documents

Each of the documents listed below are provided as part of setting up and managing the Group Scheme. Some are aimed at you as the Group Secretary, and others will be issued to each of the Eligible Participants of the Group Scheme either before their membership starts or afterwards.

Corporate Documents:

Healthcare for Business

The brochure that has been shared with the Organisation providing an overview of Benenden Healthcare for Business to enable you to decide if it meets your requirements.

Group Scheme Terms and Conditions (this document)

This document sets out the responsibilities of the Group Secretary who manages the Group Scheme on behalf of your Organisation, and that of any Scheme Administrators or Intermediary that you may also appoint to support you in managing the Group Scheme.

It also includes the General Conditions under which the Group Scheme is offered to the Organisation.

Application Form

This is the form the Group Secretary completes to set out the way in which the Organisation would like the Group Scheme to be set up and, once signed by you, it forms your acceptance of the Group Scheme Terms and Conditions (this document).

Group Scheme Certificate

This document will be issued to the Group Secretary once we have received and accepted the application to set up a Group Scheme on behalf of the Organisation, and it confirms the basis on which the Group Scheme has been agreed including:

- The name and address of the Organisation and the intended Start Date
- The Group Scheme reference ID
- Whether the Group Scheme is Organisation sponsored or voluntary
- The agreed payment frequency and method of payment
- The monthly Premium per Participant that is chargeable to the Organisation
- Any other conditions relating to how the Group Scheme is established that may have been agreed by us

It is the Group Secretary's responsibility to check and confirm the details are correct on the Group Scheme Certificate and to tell us immediately if you believe they are not. Once Participants are added to the Group Scheme and the Group Scheme starts, we are unable to change things.

Product Information:

Before joining each Eligible Participant should have independently satisfied themselves that this product meets their demands and needs.

Employee Booklet

This brochure is designed to give Eligible Participants an overview of our healthcare membership before becoming a member.

Benenden Healthcare for Business Participant Forms

Where membership (whether for the Eligible Participant or their Dependents) will be partially or fully funded by Eligible Participants, we provide a standardised form for you to make available to Eligible Participants, or with our prior approval you may replicate this form in a format to suit the needs of the Organisation.

The Insurance Product Information Document (IPID)

The IPID is designed to provide information in a standardised format to help Eligible Participants make a more informed decision and help ensure the product meets their needs.

The Guide to Services

This document forms the basis under which membership of Benenden Health is offered to all the Participants of the Group Scheme and is sent to each Participants once their membership has started.

If we have been provided with an email address as part of the enrolment process, Participants will access their Guide to Services electronically as part of their Welcome Pack. Otherwise, we will send them a Welcome Pack in the post.

The Guide to Services details the services which may be requested and accessed including any limits, what is not covered, how to make a claim and how to make a complaint.

Where we make any changes to the services offered as part of their membership, we will keep the Participants informed of changes via our website, Be Healthy magazine or direct communications. Replacement copies of the Guide to Services are available by contacting us.

Managing the Group Scheme

Who is eligible to participate in the Group Scheme?

In summary:

- Any individual linked to the Organisation¹
- Any associated Dependants²
- All Proposed Participants must live in the UK at the point of joining and if they have not already done so, all Proposed Participants will need to be registered with a UK GP who has their full medical records if they want to make a claim for Medical Diagnostics or Medical Treatment

Our Corporate Portal

Our Corporate Portal is a secure online tool that gives you the freedom to self-administer your Group Scheme.

Once your Application Form has been accepted and you have received the Group Scheme Certificate, you, any other Scheme Administrators or an Intermediary that you have told us about in your Application Form will receive an email asking you to register for online access to the Corporate Portal.

Through the Corporate Portal you will be able to carry out several tasks to help you manage your Group Scheme. Paragraph 5.3 of the General Conditions gives you more details about this.

Through the Corporate Portal you will also be sent your periodic invoices for membership of the Group Scheme, and you can also see if any payments are outstanding. More details relating to payments are set out in paragraph 6 of the General Conditions.

Applications for new joiners

Once Eligible Participants have

- Received the Employee Booklet and the IPID document; and
- Where membership (whether for the Eligible Participant or their Dependants) will be partially or fully funded by Eligible Participants and they have applied using the Participant Form we have provided (or with our prior approval as replicated in a format to suit the needs of the Organisation)

you can then add Proposed Participants to the Group Scheme through the Corporate Portal.

We aim to cover the Participants from the 1st day of the month following the date on which you add them to the Group Scheme on the Corporate Portal.

Individuals wishing to join the Group Scheme who are already individual Benenden Health members will not experience a break in cover between their current membership and joining the Group Scheme. We will notify you of any such Proposed Participants and you should make the Eligible Participant aware that their/their Dependants payment method will change.

¹ Please refer to definition of "Eligible Participant" in the Glossary for full details

² Please refer to definition of "Dependant" in the Glossary for full details

Removing Participants from the Group Scheme

If you need to remove a Participant from the Group Scheme you can manage this through the Corporate Portal. There are no specific forms to complete.

It is important to notify us of any leavers as soon as they occur, and no later than 30 days afterwards. This will help avoid claims being authorised for Participants who are no longer eligible for membership, or us charging you for a membership that hasn't been cancelled.

Changes in Participants

As set out above, you should inform us of any changes in Group Scheme participation in the relevant month they occur, and any amendments to the Premiums arising as a result will be reflected in your next invoice.

The next invoice will show either the additional Premium due to us or the credit due to you – depending on whether the membership of the Group Scheme has increased or decreased. Any debit or credit will be calculated on a pro rata basis depending on the month a Participant joined or left the Group Scheme and the payment frequency.

Continuation option

After an Accepted Eligible Participant leaves the Organisation and you have removed them from the Group Scheme, we may write to them to invite them to continue their membership as an individual, but it is their responsibility to tell us they want continuation of cover for themselves and their Dependants.

If they do not contact us within 90 days, continuation of membership will not be possible, and they will have to apply for a new individual membership. It should be noted that the benefits, terms, and conditions of individual membership may be different from those of the Group Scheme.

Other changes

Except for those outlined above, it is not possible to make other changes to the way in which your Group Scheme has been set up, so you should make sure that the Group Scheme meets your requirements before it is established.

How can Group Scheme Participants make a claim

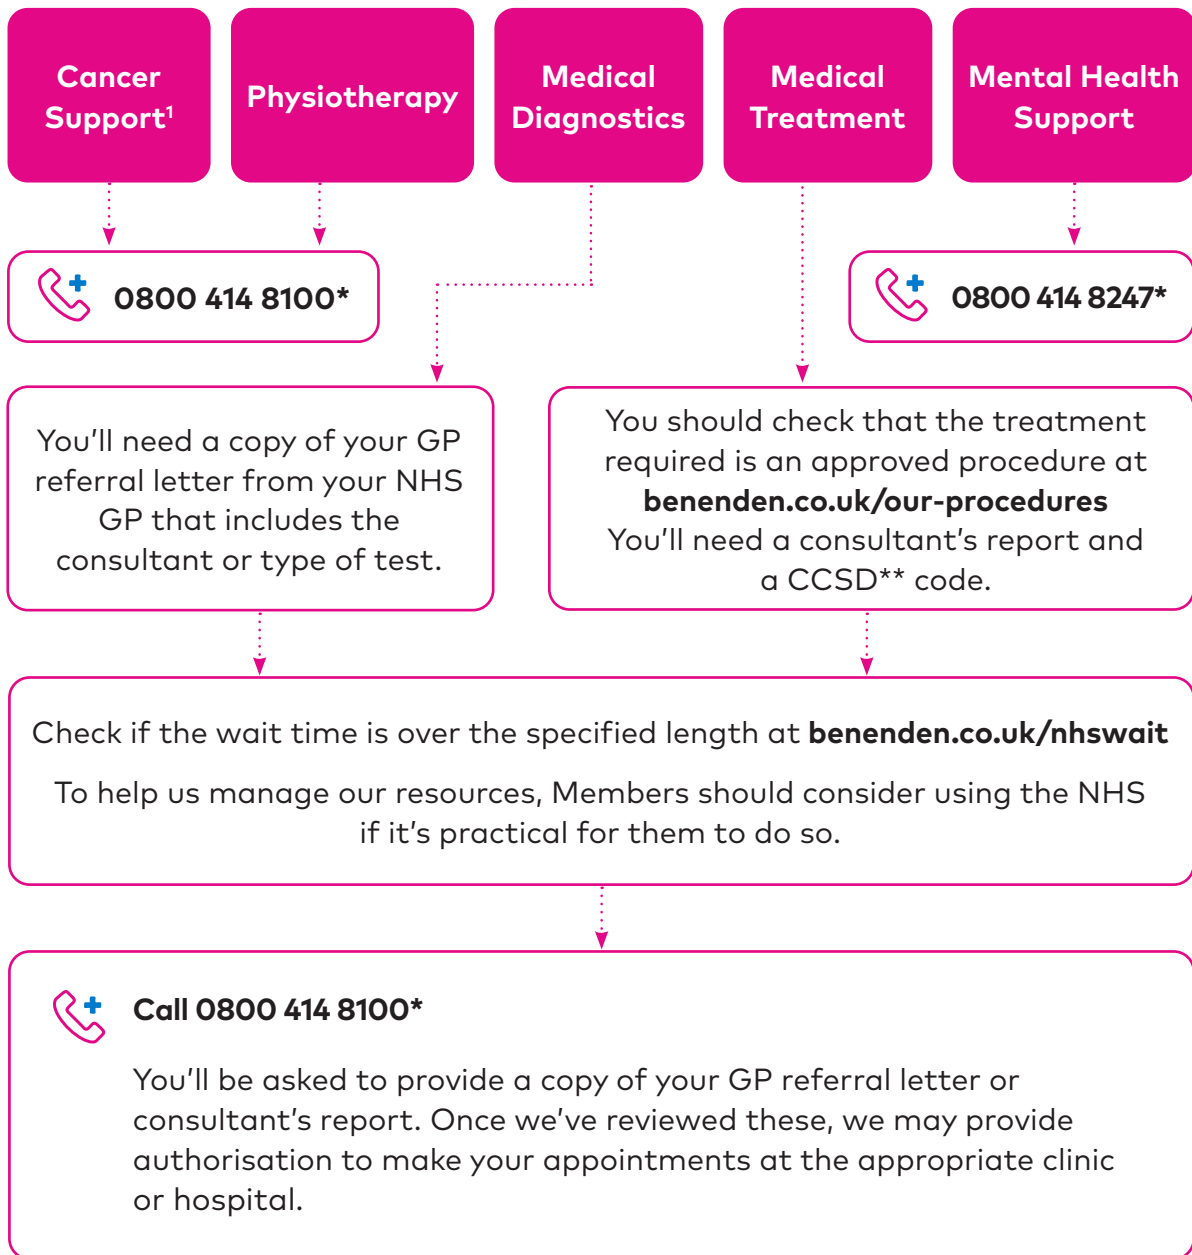

As Group Secretary, Participants in the Group Scheme may look to you for help when making a claim, so it is worth familiarising yourself with our claims process. Knowing what is involved will let you guide individuals quickly and help reassure them during what could be an uncertain time. However, you must not contact Benenden Health on their behalf. Further details of each service, including how to request support, is included in the Guide to Services.

If one of the Group Scheme Participants needs to make a claim, their first step should be to check their Guide to Services, log in to their online My Benenden page, or refer to the Benenden Health App where they can find information on the claims process.

They can also call the following numbers, dependent on which service they want to access.

The Group Scheme Participant will be guided through the claims process.

*Meeting the steps on this page does not constitute a guarantee that we can provide assistance. Please note that we need to speak to the person requesting help unless they are under 16 years of age or have someone who holds power of attorney on their behalf, or the court of protection has appointed someone to act on their behalf or the Member has registered a third party representative to act on their behalf. See page 40 of the Guide to Services for details.

**CCSD stands for Clinical Coding and Schedule Development. Find out more about CCSD codes and how to get a code on page 22 of the Guide to Services.

¹You'll need to provide confirmation of your diagnosis, such as a copy of your GP referral or a copy of the consultant's report.
